My dear Cousin Philip.

I received your kind letter of the 29th of June, and it is with the greatest pleasure I see the good impression produced by my dear Mother's photograph. I can perfectly understand the resemblance that the

-ly picture owing to her being rather delicate in health. The Doctor has prescribed the mineral waters of Sobron, where she is at present with her Mother. Afterwards they will go to Biarritz for the benefit of sea bathing

When the picture is finished we shall have some photograph

photograph has to your Mother, as I have always remarked a great likness between my Mother and the photograph we have of my Cousin (Emma) Fanny Speed.

I assure you I also wish more than ever to know personaly all my relatives of the New World, but especially you of whom my dear Mother was so fond. I dont see the profsibility of my praying a visit to my relatives in America, but I hope to see you and your brother in Spain. You cannot imagine what a pleasure this would give us. There being 52 decendants of my Uncle George, and your countrymen being so fond of traveling, it is the easyest thing that some member of your family will come to Spain one of this days.

taken and will send you one.

The heat is also very excesive in Madrid I mean to prap the sumer here as also one of my brothers my nieces and my two nephews.

My eldest nephew Ernesto whom I think I told you is Civil Ingineer, has now got an appointement in the Council of Ingineers Enrique is studying for the same profession and will finish his studies in tow years

Give our kindest regards to all your family especially to your Mother and believe me to be

Most affectionately yours

Rosa Llanos Reato

John. What has influenced our decision is that in that Institution they would at least be forever safe from auction, and if they were in our possession at our death the letters might be lost or sold.

I dont know if your aunt Mr Rogers could tell you if Mr Field the widow of Mr John Field resides still in Williamstown or Ashfield. Mass.

She used to write to
